Concluding Prayer

Merciful Father, you united St. Ezekiel Moreno to the Sacred Heart of Your Son as he bore with admirable sweetness and patience his own suffering of cancer. Through his intercession, grant me the healing of body and soul, so that purified by my own pains and blessed with divine wellness, I may become Your untiring instrument of wholeness for others. This I humbly ask in the name of our Lord Jesus Christ, the Wounded Healer, who lives and reigns with you in the unity of the Holy Spirit, one God forever and ever.

Amen.
